

Beach Weekend 2024 II at Christian Church Conference Center

TECH REMINDERS:

We aren't sure what the WiFi access situation will be, so we encourage you to download homework in advance and/or leverage personal hotspots (via your cell phone).

If there is internet available for students and staff, we'll share it!

FOOD REMINDERS:

You need to eat dinner on Friday beforehand or bring something that can be eaten in your assigned vehicle.

We are trying to arrive at a similar time on Friday to get everyone situated in our lodging as well as make sure each car has a parking permit from the conference center. Outside of a brief orientation, the main sessions begin on Saturday.

Breakfast on Saturday is our first provided meal. Dinner on Sunday is our last provided meal.
